

MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers your rights and responsibilities concerning your accounts and the rights and responsibilities of the Credit Union providing this Agreement (Credit Union). In this Agreement, the words "you," "your," and "yours" mean anyone who signs an Account Card, Account Change Card, or any other account opening document (Account Card), or for whom membership and/or service requests are approved through the Credit Union's online application and authentication process. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share or deposit accounts you have with the Credit Union.

Your account type(s) and ownership features are designated by you on your Account Card or through the Credit Union's online application and authentication process. By signing an Account Card or authenticating your request, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any Account Card, Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Fund Transfers Agreement and Disclosure, Privacy Disclosure, or Account Receipt accompanying this Agreement, the Credit Union Bylaws or Code of Regulations (Bylaws), Credit Union policies, and any amendments made to these documents from time to time that collectively govern your membership, accounts and services.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, if applicable, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

1. MEMBERSHIP ELIGIBILITY - To join the Credit Union, you must meet the membership requirements, including purchase and maintenance of the minimum required share(s) (hereinafter membership share) and/or paying a membership fee as set forth in the Credit Union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts, products and services you request and for other accounts, products, or services we may offer you or for which you may qualify.

2. INDIVIDUAL ACCOUNTS - An individual account is an account owned by one member who has qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the account owner's estate or Payable on Death (POD) beneficiary/payee or trust beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death, any security interest or pledge granted by the account owner, and our statutory lien rights.

3. JOINT ACCOUNTS - A joint account is an account owned by two or more persons.

a. Rights of Survivorship. Louisiana law does not authorize Joint Tenancy with Rights of Survivorship accounts. Louisiana law does authorize joint accounts with access after the death of one or more of the parties. This means that when one owner dies, the surviving owner(s) may continue to use the account and make withdrawals. A surviving owner's interest is subject to the Credit Union's statutory lien for the deceased owner's obligations, and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it. If any one owner seeks to prevent payments from any account, by that owner or any other owner, the owner must give us notice of the request and we shall refuse to honor any item drawn on the account, unless all owners consent to such transaction.

b. Control of Joint Accounts. Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature or authenticated request of any other owner(s). Any owner may withdraw or transfer funds, pledge to us all or any part of the shares, or stop payment on items without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. If one account owner dies, surviving account owners may continue to withdraw funds and otherwise transact business on the account without regard to the owner's death. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners in order to act.

c. Joint Account Owner Liability. If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for any returned item, overdraft, or unpaid amount and for any related fees and charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account, regardless of who contributed the funds.

4. POD/TRUST ACCOUNT DESIGNATIONS - A Payable on Death (POD) account or trust account designation is an instruction to the Credit Union that an individual or joint account so designated is payable to the owner(s) during his, her, or their lifetimes and, when the last account owner dies, is payable to all surviving POD or trust beneficiaries/payees. Unless state law provides for different ownership or as permitted and documented by us, the beneficiaries/payees will own the funds jointly in equal shares without rights of survivorship when there is more than one surviving beneficiary/payee. Any POD or trust beneficiary/payee designation shall not apply to Individual Retirement Accounts (IRAs). The Credit Union makes no representations whatsoever regarding the validity of any designation of, or the rights of, any beneficiary(ies) named by any account owner. We are not obligated to notify any beneficiary/payee of the existence of any account nor the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. This paragraph does not apply to an account held on behalf of or in the name of a trust.

5. ACCOUNTS FOR MINORS - We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid amount on such account and for any related fees and charges. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction except as required by applicable law. We will not change the account status when the minor reaches the age of majority unless the change is authorized in writing by all account owners.

6. UNIFORM TRANSFERS TO MINORS ACCOUNT - A Uniform Transfers to Minors Account (UTMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party authorized to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction except as required by applicable law. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawals.

7. AGENCY DESIGNATION ON AN ACCOUNT - An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent except as required by applicable law.

8. DEPOSIT OF FUNDS REQUIREMENTS - Funds may be deposited to any account, in any manner approved by the Credit Union in accordance with the requirements set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories, or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft, or item that is payable to two or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft, or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the check or draft within 1½ inches of the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility. If we offer a remote deposit capture service and you have been approved to use the service to make deposits to your account, you agree that, prior to transmitting check or draft images, you will restrictively endorse each original check or draft in accordance with any other agreement with us that governs this service.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the loss of an item in transit or the negligence of any correspondent. Each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required," "void after 60 days," and "not valid over \$500.00." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restriction or limitation.

d. Final Payment. All checks, drafts, automated clearinghouse (ACH) transfers or other items credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items and impose a returned item fee on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or fund transfer.

e. Direct Deposits. We may offer direct deposit services, including preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by completing a separate authorization document. You must notify us if you wish to cancel or change a direct deposit or preauthorized transfer. Any cancellation or change will become effective once we receive notice from you and have a reasonable period of time to act on your request. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits will be credited to your account on the day we consider them received as stated in our Funds Availability Policy Disclosure.

9. ACCOUNT ACCESS

a. Authorized Signature. Your signature on the Account Card, or authentication and approval of your account, authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature, even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account information, even if you do not authorize a particular transaction.

b. Access Options. You may access your account(s) in any manner we permit including, for example, in person at one of our branch offices, at an ATM or point-of-sale device, or by mail, telephone, automatic transfer, internet access or mobile application. We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any losses, expenses or fees we incur as a result of handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We may refuse to honor a power of attorney if our refusal is conducted in accordance with applicable state law.

c. Credit Union Examination. We may disregard any information on any check or draft other than the signature of the drawer, the amount of the item, and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

10. FUND TRANSFERS - Fund transfers we permit that are subject to Article 4A of the Uniform Commercial Code, such as wire transfers, will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the Credit Union is located, except as otherwise provided in this Agreement. ACH transfers are subject to rules of the National Automated Clearinghouse Association (NACHA). We may execute certain requests for fund transfers by Fedwire which are subject to the Federal Reserve Board's Regulation J.

a. Authorization for Transfers/Debiting of Accounts. You may make or order fund transfers to or from your account. We will debit your account for the amount of a fund transfer from your account and will charge your account for any fees related to the transfer.

b. Right to Refuse to Make Transfers/Limitation of Liability. Unless we agree otherwise in writing, we reserve the right to refuse to execute any payment order to transfer funds to or from your account. We are not obligated to execute any payment order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available balance in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or

equipment failure. In addition, we will not be liable for consequential, special, punitive or indirect loss or damage you may incur in connection with fund transfers to or from your account.

c. No Notice Required. We will not provide you with notice when fund transfers are credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received.

d. Interest Payments. If we fail to properly execute a payment order and such action results in a delay in payment to you, we will pay you dividends or interest, whichever applies to your account, for the period of delay as required by applicable law. You agree that the dividend or interest rate paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period.

e. Provisional Credit for ACH Transactions. We may provisionally credit your account for an ACH transfer before we receive final settlement. If we do not receive final settlement, we may reverse the provisional credit or require you to refund us the amount provisionally credited to your account, and the party originating the transfer will not be considered to have paid you.

f. Payment Order Processing and Cut-off Times. Payment orders we accept will be executed within a reasonable time of receipt. Unless we have agreed otherwise in writing, a payment order may not necessarily be executed on the date it is received or on a particular date you specify. Cut-off times may apply to the receipt, execution and processing of fund transfers, payment orders, cancellations, and amendments. Fund transfers, payment orders, cancellations, and amendments received after a cut-off time may be treated as having been received on the next fund transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to temporarily suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law. This action may affect settlement or availability of the transaction.

g. Identifying Information. If your payment order identifies the recipient and any financial institution by name and account or other identifying number, the Credit Union and any other financial institutions facilitating the transfer may rely strictly on the account or other identifying number, even if the number identifies a different person or financial institution.

h. Amendments and Cancellations of Payment Orders. Any account owner may amend or cancel a payment order regardless of whether that person initiated the order. We may refuse requests to amend or cancel a payment order that we believe will expose the Credit Union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order.

i. Security Procedures. We may require you to follow a security procedure to execute, amend or cancel a payment order so that we may verify the authenticity of the order, amendment or cancellation. You agree that the security procedure established by separate agreement between you and the Credit Union is commercially reasonable. If you refuse to follow a commercially reasonable security procedure that we offer, you agree to be bound by any payment order, whether authorized or not, that is issued in your name and accepted by us in good faith in accordance with the security procedure you choose.

j. Duty to Report Unauthorized or Erroneous Fund Transfers. You must exercise ordinary care to identify and report unauthorized or erroneous fund transfers on your account. You agree that you will review your account(s) and periodic statement(s). You further agree you will notify us of any unauthorized or erroneous transfers within the time frames described in the "Statements" section of this Agreement.

k. Recording Telephone Requests. You agree that we may record payment order, amendment and cancellation requests as permitted by applicable law.

11. ACCOUNT RATES AND FEES - We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure and Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. TRANSACTION LIMITATIONS

a. Withdrawal Restrictions. We will pay checks or drafts, permit withdrawals, and make transfers from the available balance in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals, and make transfers when you have an insufficient available balance in your account if you have established an overdraft protection plan or, if you do not have such a plan with us, in accordance with our overdraft payment policy.

We may refuse to allow a withdrawal in some situations and will advise you accordingly if, for example: (1) there is a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of 7 to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Fund Transfers Agreement and Disclosure.

13. CERTIFICATE ACCOUNTS - Any term share, share certificate, time deposit or certificate of deposit account (certificate account), whichever we offer as allowed by applicable federal or state law, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure, the Account Receipt for each account, and any other documents we provide for the account, the terms of which are incorporated herein by reference.

14. OVERDRAFTS

a. Payment of Overdrafts. If, on any day, the available balance in your share or deposit account is not sufficient to pay the full amount of a check, draft, transaction, or other item, plus any applicable fee, that is posted to your account, we may return the item or pay it, as described below. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your account does not have a sufficient available balance in order to pay an item. Your account may be subject to a fee for each item regardless of whether we pay or return the item. We may charge a fee each time an item is submitted or resubmitted for payment; therefore, you may be assessed more than one fee as a result of a returned item and resubmission(s) of the returned item.

If we offer standard overdraft services, this service allows us to authorize payment for the following types of transactions regardless of whether your share or deposit account has sufficient funds: (1) share drafts/checks and other transactions made using your checking account, except as otherwise described below; (2) automatic bill payments; (3) and ACH transactions. For ATM and one-time debit card transactions, you must affirmatively consent to such coverage. Without your consent, the Credit Union may not authorize and pay an ATM or one-time debit card transaction that will result in insufficient funds in your account. If you have established a service linking your share or deposit account with other individual or joint accounts, you authorize us to transfer funds from another account of yours to cover an insufficient item, including transfers from a

share or deposit account, an overdraft line-of-credit account, or other account you so designate. Services and fees for these transactions are shown in the document the Credit Union uses to capture your affirmative consent and the Schedule of Fees and Charges.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay such items that result in an insufficiency of funds in your account, we do not agree to pay them in the future and may discontinue coverage at any time without notice. If we pay these items or impose a fee that results in insufficient funds in your account, you agree to pay the insufficient amount, including the fee assessed by us, in accordance with our standard overdraft services or any other service you may have authorized with us or, if you do not have such protections with us, in accordance with any overdraft payment policy we have, as applicable.

b. How Transactions are Posted to Your Account. Basically, there are two types of transactions that affect your account: credits (deposits of money into your account) and debits (payments out of your account). It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

Credits. Deposits are generally added to your account when we receive them. However, in some cases when you deposit a check, the full amount of the deposit may not be available to you at the time of deposit. Please refer to the Funds Availability Policy Disclosure for details regarding the timing and availability of funds from deposits.

Provisional Credits. We will give only provisional credit until collection is final, for any items, other than cash, we accept for deposit (including items drawn "on us"). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars.

Debits. There are several types of debit transactions. Common debit transactions are generally described below. Keep in mind that there are many ways transactions are presented for payment by merchants, and we are not necessarily in control of when transactions are received.

- **Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from corporate clearing house each day. The checks drawn on your account are compiled from these data files and paid each day. We process the payments in the order contained in the data file.

Remote Deposits. When you deposit a remote deposit check, it is processed through the Federal Reserve system. We receive data files of cashed checks from corporate clearing house each day. The checks drawn on your account are compiled from these data files and paid each day. We process the payments in the order contained in the data file. All Mobile Check Deposits will be placed in the account by the next business day unless rejected are placed on hold.

- **ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House (ACH) transactions. These include, for example, automatic bill payments you have authorized. ACH transactions for your account are posted at the end of the day in order of receipt.
- **PIN-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card for which a merchant may require you to enter your personal identification number (PIN) at the time of sale. They are processed through a PIN debit network. These transactions are similar to ATM withdrawal transactions because the money is usually deducted from your account immediately at the time of the transaction. However, depending on the merchant, a PIN-based transaction may not be immediately presented for payment.
- **Signature-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card that are processed through a signature-based network. Rather than entering a PIN, you typically sign for the purchase; however, merchants may not require your signature for certain transactions. Merchants may seek authorization for these types of transactions. The authorization request places a hold on funds in your account when the authorization is completed. The "authorization hold" will reduce your available balance by the amount authorized but will not affect your actual balance. The transaction is subsequently processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after the transaction, depending on the merchant and its payment processor. These payment requests are received in real time throughout the day and are posted to your account when they are received.

The amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when you present your card for payment. For example, if you use your debit card at a restaurant, a hold will be placed in an amount equal to the bill presented to you; but when the transaction posts, it will include any tip that you may have added to the bill. This may also be the case where you present your debit card for payment at gas stations, hotels and certain other retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

This is a general description of certain types of transactions. These practices may change, and we reserve the right to pay items in any order we choose as permitted by law.

c. Understanding Your Account Balance. Your checking account has two kinds of balances: the actual balance and the available balance. Your actual balance reflects the full amount of all deposits to your account as well as payment transactions that have been posted to your account. It does not reflect checks you have written and are still outstanding or transactions that have been authorized but are still pending. Your available balance is the amount of money in your account that is available for you to use. Your available balance is your actual balance less: (1) holds placed on deposits; (2) holds on debit card or other transactions that have been authorized but are not yet posted; and (3) any other holds, such as holds related to pledges of account funds and minimum balance requirements or to comply with court orders. We use your available balance to determine whether there are sufficient funds in your account to pay items, including checks and drafts, as well as ACH, debit card and other electronic transactions. Pending transactions and holds placed on your account may reduce your available balance and may cause your account to become overdrawn regardless of your actual balance. In such cases, subsequent posting of the pending transactions may further overdraw your account and be subject to additional fees. You should assume that any item which would overdraw your account based on your available balance may create an overdraft. You may check your available balance online at www.wesla.org or by visiting a credit union branch.

15. POSTDATED AND STALEDATED CHECKS OR DRAFTS - You agree not to issue any check or draft that is payable on a future date (postdated). If you do draw or issue a check or draft that is postdated and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six months past its date; however, if the check or draft is paid against your account, we will have no liability for such payment.

16. STOP PAYMENT ORDERS

a. Stop Payment Order Request. Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding, the order must accurately describe the check or draft, including the exact account number, check or draft number, and amount of the check or draft. This exact information is necessary for the Credit Union to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft, and to assist us in any legal action.

Stop payment orders for preauthorized debit transactions from your account are governed by Regulation E. Please refer to the Electronic Fund Transfers Agreement and Disclosure for rules regarding stop payments on preauthorized debit transactions.

b. Duration of Order. You may make an oral stop payment order which will lapse within 14 calendar days unless you confirm it in writing, or in a record if allowed by applicable law, within that time. A written stop payment order is effective for six months and may be renewed for additional six-month periods by submitting a renewal request in writing, or in a record if allowed by applicable law, before the stop payment order then in effect expires. We do not have to notify you when a stop payment order expires.

c. Liability. Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees and all damages or claims related to our refusal to pay an item, as well as claims of any joint account owner or of any payee or endorsee for failing to stop payment of an item as a result of incorrect information provided by you.

17. CREDIT UNION LIABILITY - If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if, for example: (1) your account contains an insufficient available balance for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We are not responsible for a check or draft that is paid by us if we acted in a commercially reasonable manner and exercised ordinary care. We exercise ordinary care if our actions or nonactions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict regarding what you and our employees say or write will be resolved by reference to this Agreement.

18. CHECKS OR DRAFTS PRESENTED FOR PAYMENT IN PERSON - We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft, and we shall have no liability for refusing payment. If we agree to cash a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable check or draft cashing fees are stated in the Schedule of Fees and Charges.

19. REMOTELY CREATED CHECKS OR DRAFTS - For purposes of this paragraph, "account" means a transaction account, credit account, or any other account on which checks or drafts may be drawn. A remotely created check or draft is a check or draft created by someone other than the person on whose account the check or draft is drawn. A remotely created check or draft is generally created by a third party payee as authorized by the owner of the account on which the check or draft is drawn. Authorization is usually made over the telephone or through online communication. The owner of the account does not sign a remotely created check or draft. In place of the owner's signature, the remotely created check or draft usually bears a statement that the owner authorized the check or draft or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check or draft against your account, you may not later revoke or change your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check or draft for which the third party has proof of your authorization.

20. PLEDGE, RIGHT OF OFFSET AND STATUTORY LIEN - Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account(s) for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. You agree we have the right to offset funds in any of your accounts against the obligation owed to us. Federal or state law (depending upon whether we have a federal or state charter) gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by federal or state law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account(s) to what you owe when you are in default, except as limited by federal or state law. If we do not apply or offset the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply or offset the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under federal or state law if given as security. By not enforcing our right to apply or offset funds in your account(s) to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. LEGAL PROCESS - If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved, as permitted by law. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. ACCOUNT INFORMATION - Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. NOTICES

a. Name or Address Changes. You are responsible for notifying us of any name or address change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.

b. Notice of Amendments. Except as prohibited by applicable law, we may change the terms of this Agreement at any time. We will notify you, in a manner we deem appropriate under the circumstances, of any changes in terms, rates or fees as required by law. We reserve the right to waive any terms of this Agreement. Any such waiver shall not affect our right to future enforcement.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is provided electronically or is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address, and will be effective whether or not received by you. Notice to any account owner is considered notice to all account owners.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

24. TAXPAYER IDENTIFICATION NUMBER AND BACKUP WITHHOLDING - You agree that we may withhold taxes from any dividends or interest earned on your account as required by federal, state or local law or regulations. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN within a reasonable time we may close your account and return the balance to you, less any applicable service fees.

25. STATEMENTS

a. Contents. If we provide a periodic statement for your account, you will receive a periodic statement that shows the transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the Credit Union and may not be returned to you, but copies of the check or draft may be retained by us or by payable-through financial institutions and may be made available upon your request. You understand and agree that statements are made available to you on the date they are mailed to you or, if you have requested, on the date they are made available to you electronically. You also understand and agree that checks, drafts, or copies thereof are made available to you on the date the statement is mailed to you or is provided to you electronically, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies that are reflected on your statement within 33 days of the date we sent or otherwise provided the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of facsimile signature equipment.

Unauthorized electronic fund transfers governed by Regulation E are subject to different reporting periods. Please refer to the Electronic Fund Transfers Agreement and Disclosure for reporting requirements pertaining to electronic fund transfers.

c. Notice to Credit Union. You agree that the Credit Union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes, and we will not be liable for any payment made or charge to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

d. Address. If we mail you a statement, we will send it to the last known address shown in our records. If you have requested to receive your statement electronically, we will send the statement or notice of statement availability to the last e-mail address shown in our records.

26. INACTIVE ACCOUNTS - As allowed by applicable law, we may classify your account as inactive or dormant and assess a fee if you have not made any transactions in your account over a specified period of time. The period of inactivity, the fee for servicing an inactive or dormant account, and the minimum balance required to avoid the service fee, if any, are set forth in our Schedule of Fees and Charges. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable or reserve account and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will then be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds. If you choose to reclaim such funds, you must apply to the appropriate state agency.

27. SPECIAL ACCOUNT INSTRUCTIONS - You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. We may require that account changes requested by you, or any account owner, such as adding or closing an account or service, be evidenced by a signed Account Change Card or other document which evidences a change to an account and accepted by us.

28. TERMINATION OF ACCOUNT - We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if, for example: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; (7) we reasonably deem it necessary to prevent a loss to us; or (8) as otherwise permitted by law. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, transaction, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

29. TERMINATION OF MEMBERSHIP; LIMITATION OF SERVICES - You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all of your accounts. You may be expelled from membership for any reason allowed by applicable law. We may restrict account access and services without notice to you when your account is being misused; you have demonstrated conduct which is abusive in nature; as outlined in any policy we have adopted regarding restricting services; or as otherwise permitted by law.

30. DEATH OF ACCOUNT OWNER - We may honor all transfer orders, withdrawals, deposits, and other transactions on an account until we know of a member's death. Even with such knowledge, we may continue to pay checks or drafts or honor other payments or transfer orders authorized by the deceased member for a period of ten days after the member's death unless we receive instructions from any person claiming an interest in the account to stop payment on the checks, drafts, or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

31. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES - You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.

32. SEVERABILITY - If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

33. ENFORCEMENT - You are liable to us for any losses, costs, or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs, or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post judgment collection actions.

34. GOVERNING LAW - This Agreement is governed by the following, as amended from time to time: the Credit Union's bylaws; local clearinghouse and other payment system rules; federal laws and regulations, including applicable principles of contract law; and the laws and regulations of the state of Louisiana. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the Credit Union is located.

35. NEGATIVE INFORMATION NOTICE - We may report information about your loan, share, or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

36. MONITORING AND RECORDING COMMUNICATIONS - We may monitor and record communications between you and us, including telephone conversations, electronic messages, electronic records, or other data transmissions that affect your accounts or other products and services. Except as otherwise prohibited by applicable law, you agree we may monitor and record such communications without your approval or further notice to you.

37. CONSENT TO CONTACT - By signing or otherwise authenticating an Account Card, you agree we and/or our third-party providers, including debt collectors, may contact you by telephone or text message at any telephone number associated with your account, including wireless telephone numbers (i.e. cell phone numbers) which could result in charges to you, in order to service your account or collect any amounts owed to us, excluding any contacts for advertising and telemarketing purposes as prescribed by law. You further agree methods of contact may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. You may withdraw the consent to be contacted on your wireless telephone number(s) at any time by providing written notice to us at 2921 Williamson Way , Shreveport , Louisiana 71118 or by any other reasonable means. If you have provided a wireless telephone number(s) on or in connection with any account, you represent and agree you are the wireless subscriber or customary user with respect to the wireless telephone number(s) provided and have the authority to give this consent. Furthermore, you agree to notify us of any change to the wireless telephone number(s) which you have provided to us.

In order to help mitigate harm to you and your account, we may contact you on any telephone number associated with your account, including a wireless telephone number (i.e. cell phone number), to deliver to you any messages related to suspected or actual fraudulent activity on your account, data security breaches or identity theft following a data breach, money transfers or any other exigent messages permitted by applicable law. These contacts will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection message of any kind. The contacts will be concise and limited in frequency as required by law. You will have an opportunity to opt-out of such communications at the time of delivery.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Main Share, General Savings, Special Savings, Youth Share, Vacation Savings, Silver Star Share,

Mortgage Escrow, Holiday Club, Platinum Share Savings, IRA Savings, Roth IRA, Roth Conversion IRS, and Coverdell ESA accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates

and yields that the Credit Union anticipates paying for the applicable dividend period. Platinum Share Savings accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the day the Credit Union receives provisional credit. For Main Share, General Savings, Special Savings, Youth Share, Vacation Savings, Silver Star Share, Mortgage Escrow, Holiday Club, Platinum Share Savings, IRA Savings, Roth IRA, Roth Conversion IRA, and Coverdell ESA accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Holiday Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Main Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Main Share, General Savings, Special Savings, Youth Share, Vacation Savings, Silver Star Share, Mortgage Escrow, Holiday Club, Platinum Share Savings, IRA Savings, Roth IRA, Roth Conversion IRA, and Coverdell ESA accounts, there is a minimum daily balance required to avoid a service fee for the statement period. If the minimum daily balance requirement is not met during each day of the statement period, you will be charged a service fee as stated in the Fee Schedule. For Share Draft Checking and Share Draft

Checking CO accounts, there is a minimum average daily balance required to avoid a service fee for the statement period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Fee Schedule. For Main Share, General Savings, Special Savings, Youth Share, Vacation Savings, Silver Star Share, Mortgage Escrow, Holiday Club, Platinum Share Savings, IRA Savings, Roth IRA, Roth Conversion IRA, and Coverdell ESA accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

6. ACCOUNT LIMITATIONS — For Holiday Club accounts, the entire balance will be transferred to another account of yours on or after November 7 and the account will remain open. If you withdraw from your Holiday Club account, you will be charged a fee as disclosed in the Fee Schedule. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Main Share, General Savings, Special Savings, Youth Share, Vacation Savings, Silver Star Share, Mortgage Escrow, Holiday Club, Platinum Share Savings, IRA Savings, Roth IRA, Roth Conversion IRA, and Coverdell ESA accounts, you may make three (3) withdrawal(s) or transfer(s) from your account each month. If you exceed this limitation, your account may be closed and/or you will be charged a fee as disclosed in the Fee Schedule. For Free Share Checking FO, Free Share Checking FC, Silver Star Checking SO, Status One Student Checking, Share Draft Checking, and Share Draft Checking CO accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or

paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

8. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) and pay a nonrefundable membership fee as set forth below.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of

the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings. For Share Certificate accounts where dividends credit monthly, dividends must be transferred to another account; dividends cannot be added to the account.

2. DIVIDEND PERIOD — For each account, the dividend period is the account's term. The dividend period

begins on the first day of the term and ends on the maturity date.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends are stated in the Rate Schedule.

4. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Main Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance

requirements applicable to each account are set forth in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

5. ACCRUAL OF DIVIDENDS — For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.

6. TRANSACTION LIMITATIONS — For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. For Share Certificate and Jumbo Certificate accounts, after your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below and your account will be closed. Partial withdrawals are not allowed. For IRA Certificate accounts, after your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below and your account will remain open.

7. MATURITY — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

8. EARLY WITHDRAWAL PENALTY — We may impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty. For all accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 3 months	30 days' dividends
Terms of 6 months or greater	90 days' dividends

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

9. RENEWAL POLICY — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. For accounts that do not automatically renew for another term, the account balance will be transferred to another account of yours upon maturity. You will not be paid dividends on the account after the maturity date.

10. NONTRANSFERABLE/NONNEGOTIABLE — Your account is nontransferable and nonnegotiable.

11. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) and pay a nonrefundable membership fee as set forth below.
